**Color**

**My**

**World**

**“Circumstances and situations do color life,  
but you have been given the mind  
to choose what the color shall be.”**

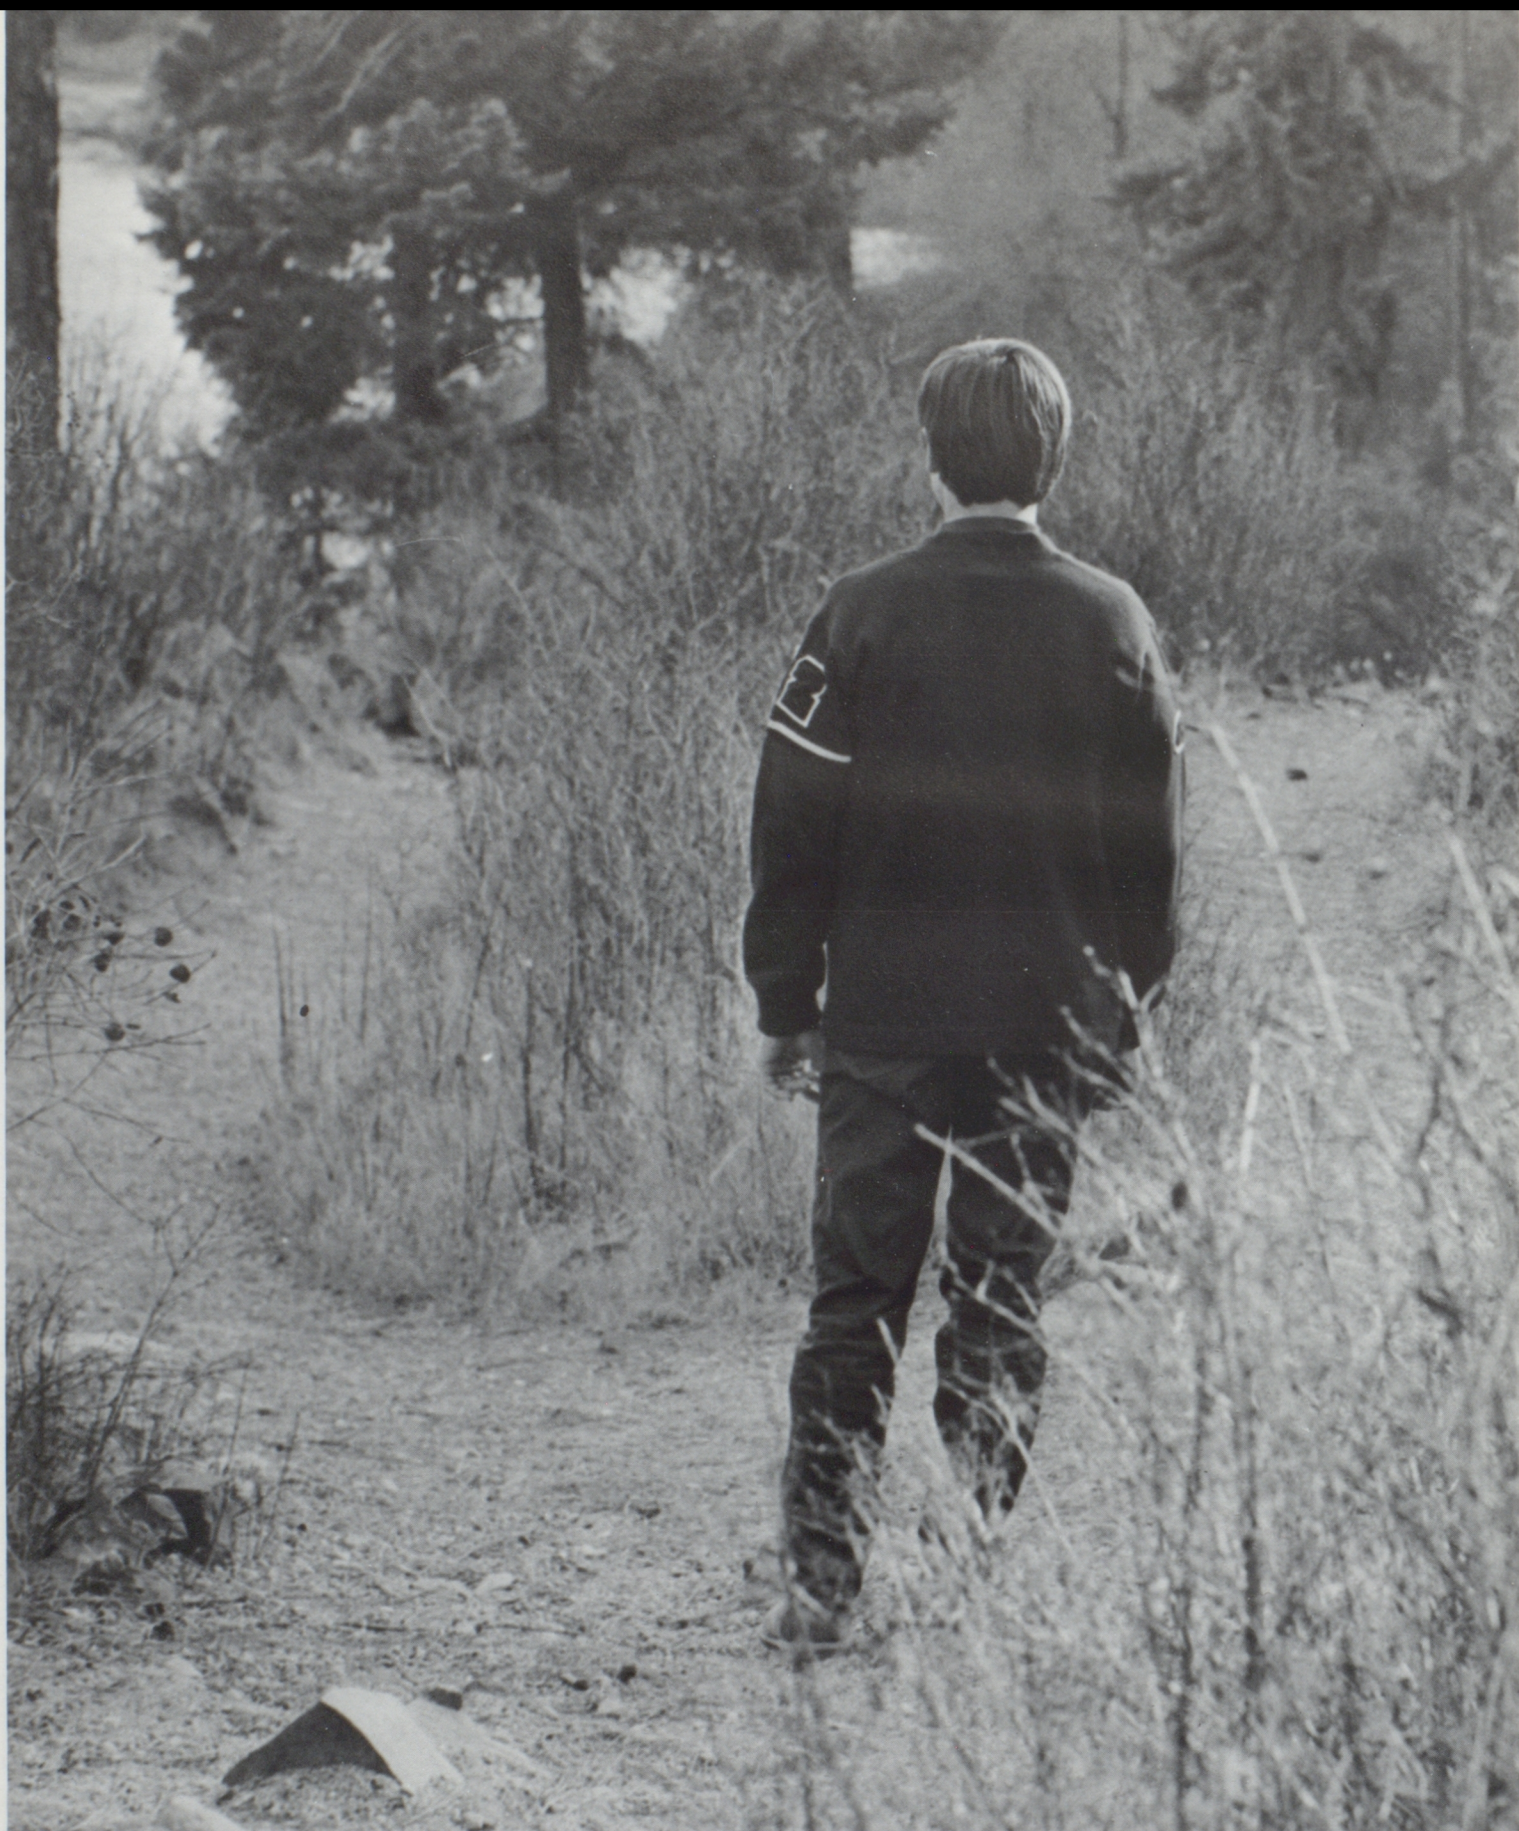

**the art of living  
is discovered  
as you create  
your own  
existence . . .**

**... as you choose your own path**

**alone . . .**

**you can  
plan and dream,  
together . . .**

**you can  
make those dreams  
come true**

**each day is a new beginning**

**tomorrow—  
maybe better  
than today,  
maybe not . . .**

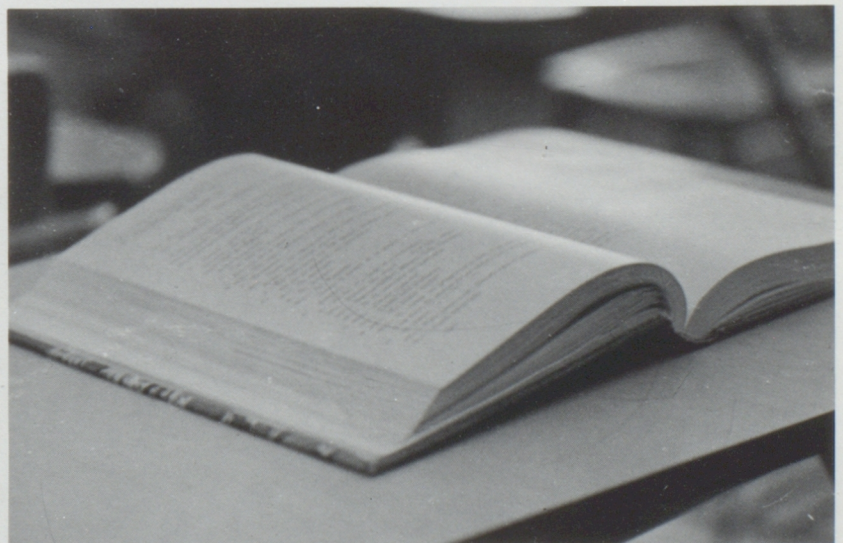

**take my hand; we've a lifetime**

**the book of life  
is open to us**

## COLORS

Your living is determined not so much by what life brings to you as by the attitude you bring to life; not so much by what happens to you as by the way your mind looks at what happens. Circumstances and situations do color life, but you have been given the mind to choose what the color shall be.

—John Homer Miller

# Helen Hazen Rymond

"Schools are our biggest business-they are our most important business." Such are the views of Helen Hazen Rymond, the only woman on School District Eighty-One's school board at this writer's interview. Mrs. Rymond recalls how this rewarding experience came about.

A native Spokaneite, Mrs. Rymond is a North Central graduate. Her father, the late Mr. John Hazen, was a founding partner of the Hazen and Jaeger Funeral Home.

Having two daughters which are also North Central alumni, Mrs. Rymond has always been actively interested in education. "One of the most important and meaningful awards that I have had in my life is the Golden Acorn, which I received two years ago." This award is given by the Parent-Teachers Association to the individual who has devoted the most to the service of education. After the death of her husband, Harry Rymond, in 1950, Mrs. Rymond became Assistant Manager of Hazen and Jaeger. She is now President

and General Manager.

"I had been asked several times by various groups to serve on the board." After much consideration, Mrs. Rymond accepted the position, with the chief concern to provide the finest education for the most people. Mrs. Rymond completed her six-year term in November, 1971.

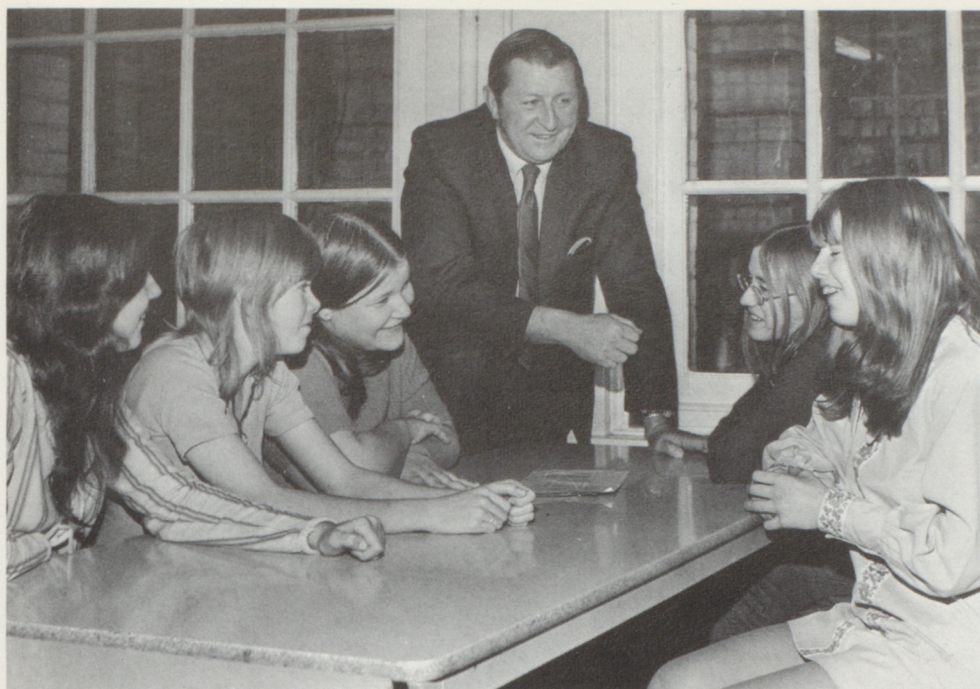

Around North Central, the Rymond name is associated with the Harry W. Rymond award, presented to the senior boy who has achieved the most in the face of the greatest difficulty. The recipient is honored by having his name engraved on a bronze plaque, and is given the gift of the gold watch by the Rymond family.

"Mrs. Rymond will long be remembered as a devoted community citizen, a devoutly religious person, a most gracious lady, and a compassionate director of her business. We extend to her an expression of deep gratitude."

# Spring A.S.B. Officers Experiment with New Ideas

This year's spring officers showed their exuberance through the many activities planned. To give the students more voice in their A.S.B., a con was planned asking for their suggestions. All students were urged by the officers to attend a mock presidential convention held at Gonzaga University, March 16-18. Also in the planning were more speakers of interest to the student and improved draft information.

## DECA Provides Business Opportunities and Experience

DECA (Distributive Education Clubs of America) is a two period class that offers its members the opportunities of having a job and getting credit for it, besides pay. The experience is invaluable. DECA sponsors the selling of class rings and they participate in functions with DECA members from other high schools. Display windows in the room are decorated by DECA as a part of the learning process.

Above: two DECA students arrange a display window in Room 222.

## Future Nurses of America

This year F.N.A. changed its policy so that freshmen were allowed to join the club. Two boys also became members of F.N.A., which was formerly an all-girl organization. For service projects, the club made cookies and gave them to the elderly at Spokane Sanitarium.

## Individual Finds Self Among Creative Sets

Theatre 81 performed in a district function, presenting plays for fourteen elementary schools. Two one-act plays were presented to the public along with a fund-raising con. Many members also belong to the Civic Theatre's Teen Club.

The whole theory behind a dramatics program such as Mrs. Lindberg's is to build the individual's confidence and poise. Beyond this is the opportunity to relate to one another with a certain openness, learning to love and respect people as they are.

Among the "canine" characters in "Some of My Best Friends" are "Miss Collie," Beth Wright; "Captain Bull," Cameron Mitchum; "Mr. Spitzu," Fred Marston; "Mrs. Chanchie," Robin Drose; "Mr. Bloodhound," Charles DeLauder; and "Mr. Cur," David Vulcano.
